Chizmalar albomi O‘zbekiston Respublikasining Jinoyat kodeksi asosida tuzilgan. Undagi ko‘pchilik chizmalar jinoyat tarkiblarining jadval tasvirlarini aks ettirib, jinoyat qonuni normasi dispozitsiyasi mazmunini so‘zma-so‘z yoritadi.

SO‘Z BOSHI

Ushbu chizmalar albomi Davlat ta’lim standarti (DTS) bilan tasdiqlangan «Yurisprudentsiya» yo‘nalishi bo‘yicha zaruriy fanlarning tarkibiga kiruvchi jinoyat huquqi fanining yakunlov qismi hisoblanadi. Albomga 1994-yilning 22-sentyabrida qabul qilingan va 1995-yilning 1-aprelidan kuchga kirgan O‘zbekiston Respublikasi Jinoyat kodeksining tizimi asos qilib olingan. Unda jinoyatlarning turlari amaldagi jinoyat qonun hujjatlarining 2014-yil 1-noyabr kunidagi holati bo‘yicha tahlil qilingan.

Mualliflar jamoasi mazkur qo‘llanmani yaratishda o‘z oldiga quyidagi maqsadlarni qo‘ydi: 1) Jinoyat kodeksi Maxsus qismining amaldagi tizimini nazariy darajada ochib berish; 2) jamiyat rivojlanishining hozirgi bosqichidan kelib chiqib, tinglovchilarning alohida jinoyat tarkiblarini o‘rganishlari uchun ularga zarur bilimlar berish; 3) tinglovchilarga amaliyotda jinoyat qonunini mustaqil qo‘llashni o‘rgatish.

Chizmalar albomidan ma’ruzalar va amaliy mashg‘ulotlarda, shuningdek, jinoyat huquqiga doir namunaviy dasturda ifodalangan maqsad va vazifalarni bajarish yuzasidan tinglovchi va talabalarning mustaqil ishlarini tashkil qilishda ham foydalanish mumkin.

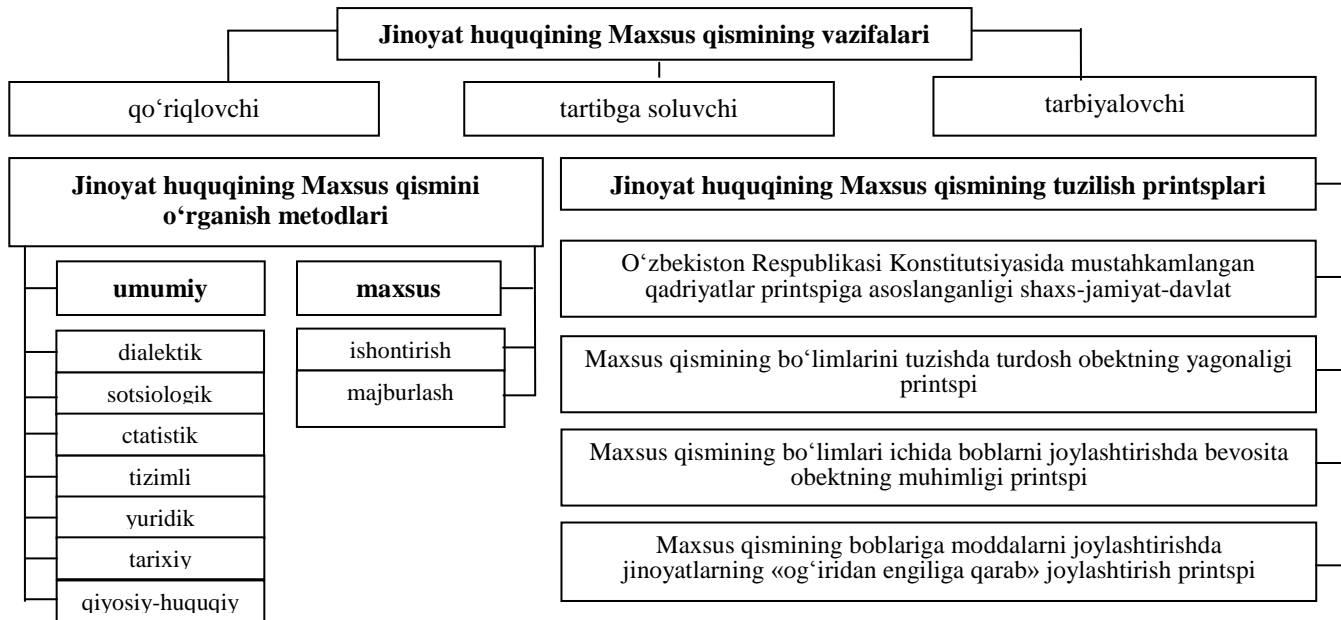

Jinoyat huquqi bo‘yicha zukko, professional huquqshunoslarni tayyorlashning zaruriy sharti

ilm toliblariga davlat huquqi va nazariyasi, fuqaroviy va ma'muriy huquq, mehnat huquqi va huquqning boshqa sohalariga oid institutlar va asosiy tushunchalar to'g'risida mustahkam bilim berishdan iborat. Shu bois jinoyat huquqining Maxsus qismi doimo huquqning boshqa sohalariga bilan birga o'rganilishi lozim.

IIV Akademiyasining tinglovchi va kursantlariga, katta ilmiy xodimlar-izlanuvchilar va mustaqil tadqiqotchilarga, professor-o'qituvchilarga, yuridik oliy ta'lim o'quv yurtlari talabalariga shuningdek, jinoyat huquqi muammolari bilan qiziquvchi amaliyot xodimlariga mo'ljallangan.
